INVITATIONAL CONCOURS

2026 SPONSORSHIP OPPORTUNITIES

*November 7th & 8th, 2026
Santa Barbara Polo
& Racquet Club*

A Vision Rooted in Legacy. Designed for Impact

The 2026 Santa Barbara Invitational Concours is the culmination of years of thoughtful planning and a lifelong passion for the automobile. Taking place November 7–8, this inaugural experience has been carefully curated to become one of the American Riviera’s most distinguished lifestyle events.

My vision for the Concours was born in childhood – attending automotive gatherings and “assisting” my father in the garage as he and his friends restored their latest treasured find. My sister shared that same enduring love for motorcars throughout her life. When she passed unexpectedly, I committed to honoring her legacy in a meaningful and lasting way. The Santa Barbara Invitational Concours is both a tribute and a promise – to celebrate heritage, craftsmanship, and the enduring spirit of the automobile.

Guided by an accomplished and deeply committed Board of Directors, we are building more than a car show. We are establishing a premier, judged Concours competition and refined lifestyle weekend that celebrates design excellence, historical significance, innovation, and community engagement.

We believe the automobile transcends generations and geography – captivating the emerging collector with a first acquisition as profoundly as the most established global connoisseur. It is art. It is engineering. It is culture. It is legacy.

The Santa Barbara Invitational Concours is designed to align with brands that value heritage, excellence, and influence. Together with our partners, we are creating an experience that honors the past while driving forward impact for future generations.

We invite you to join us in shaping a new tradition on the American Riviera.

See you in November!
